

COACHED PARENT-CHILD PROGRAM

UNIVERSITY OF
OREGON

Parents Needed...
to participate in a brief interview to
provide information on the most helpful
ways to support &
promote positive reentry!

- **Our goal:** To create a program to help support parents successfully reenter the community after incarceration and reintegrate with their children!
- All participating **parents** will be **compensated for their time** with a **\$30 gift card** from **Amazon**. All initial interviews will take place via Zoom or over the phone.
- We are especially interested in speaking with parents who have **struggled with opioid use**.
- **Parents** who participate in the interviews will be prioritized to have the opportunity to later take part in the **Coached Parent-Child Program's** online intervention.

Participants Needed for Research Study on Parenting after Incarceration

Are you a parent who has been previously incarcerated and struggle with opioid use currently or in the past?

You May Qualify If You:

- Were incarcerated and released from jail within the last 10 years
- Were a parent of a child 0-17 years old at the time of your release from incarceration
- Have a history or current opioid use/misuse
- You have access to a private location and the ability to connect via Zoom by phone or computer

Participation Involves:

- Brief online pre-interview questionnaire
- 45-60 minute interview over Zoom focused on:
 - Your reentry and parenting experiences
 - Challenges you experienced
 - Ways you could have been better supported during reentry

Compensation: \$30 gift card to Amazon
